## Latest Happenings!!!

Memorial Day was a great celebration of the lives of our fallen protectors. As always, we enjoyed a great day of fellowship around the dinner table with traditional picnic fare.

Mother's Day was a lovely day for our ladies, and the plans made at the Resident Council Meeting for Father's Day guarantee that it will be just as successful.

### Administrator's Message

By Theresa Putnam

So much hustle and bustle since breaking ground! The building foundation is in place along with all the underground plumbing. If Mother Nature holds back for a few days, the concrete floor will be installed and outer walls erected. Then the building will really start to take shape! Exciting days ahead!!

### STAFF SPOTLIGHT

Angela Kelley

Angela Kelley began work as a chef at Patrick Manor in September, 2016. She comes to us with 25+ years' experience. She is a transplant from Ypsilanti, Michigan. Angela always wanted to live near the beach in the sunshine, so she and her best friend took the plunge and moved to St. Petersburg. Michigan's loss is Patrick Manor's gain.

### Resident of the Month

### Bill Driscoll

Bill Driscoll was Patrick Manor's Resident of the Month. He has been a member of the family since January, 2007. Bill participates in the afternoon games each day, even contributing to the prize money that Patrick Manor provides! He will try any of the activities that Wendy thinks up.....a good sport!

### Resident Council Meeting:

Our Resident Council meeting was another good one this month. We had two holiday menus to plan, one of our favorite past times! Chefs Rafael and Angela listened in for feedback on the new menus.

### Welcome Home!

A big "Welcome Home" to our newest resident, James Raines. He's an Army veteran that enjoys walking. If you see him roaming the halls or walking in the garden, make sure to say "Hi"...or better yet, join him!
