### Administrator's Message

By Theresa Putnam

Spring is here!! Patrick Manor's garden is my 'happy place'. I have really enjoyed getting out there and building my Fairy Garden. Make sure to take a break and go visit it. It's sure to make you smile.

My office is near completion and I look forward to settling into it. Across the hall from my new office, the rest room and shower room are in the midst of a remodel as well. There is always something exciting going on at Patrick Manor!

### Resident Council Meeting

Another great Resident Council meeting was held in March. We discussed our usual topics and went over the plans for St Patrick's Day festivities.
